Introduction

Mugberia Gangadhar Mahavidyalaya has adopted Unnat Bharat Abhiyan programme inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India launched by the Ministry of Human Resource Development, Govt. of India.

About the Programme :

Mugberia Gangadhar Mahavidyalaya aims to make the overall development of 05 adopted villages adjacent to college. It is designed to cater the rural needs and development in terms of collaborative endeavor to promote education, self reliance, skills and infrastructure. Essentially, as it has been directed by the Ministry of Human Resource Development that “our professional higher education institutions have largely been oriented to cater to the mainstream industrial sector and, barring a few exceptions, have hardly contributed directly to the development of the rural sector. Unnat Bhārat Abhiyān (UBA) is a much needed and highly challenging initiative in this direction”. Therefore as HEI, Mugberia Gangadhar Mahavidyalaya also participated in the UBA to contribute development in the rural sector.

Goals:

1. Development of literacy rate among the adult women villagers
2. Socio-economic development of the villagers
3. Promote cultural development among the villagers
4. Encourage digital literacy training for the villagers
5. Awareness Training Programme for community Health & Sanitation
6. Training and awareness about self employment and entrepreneurship development.
