

MUGBERIA GANGADHAR MAHAVIDYALAYA

Women's Cell

“As women, we must stand up for ourselves. We must stand up for each other. We must stand up for justice for all” -“Michelle Obama.

Women's empowerment is a new phrase in the vocabulary of gender literature, which refers to empowering women to self-dependent by providing them access to all the freedoms and opportunities to regulate their day-to-day lives in the social, political and economic sphere. Within the framework of democratic polity, our laws, developmental policies, plans and programmes are aimed at women's advancement in different fields. The women's movement and a widespread network of Non-Government Organisations (NGOs) having strong grass-root presence and deep insight into women's concerns have contributed in inspiring initiatives for the empowerment of women. At present context, India still has epidemic practices of evils like dowry deaths, honour killings, female foeticide and child marriages. Because of traditional dominating role of men the condition of housewives as well as few working women, is pitiable, hence most of the women feel insecurity before and after marriage, therefore there is a continuous demand to improve the women's status in society and equal rights for all other activities.

Our motto:

Empowering Women-Making Dreams Come TRUE....

The government of India has started large number of Women's organizations, UGC sponsored Women's study centre is one of them who has been working for the last two decades for removing the gender barrier in the society. Mugberia Gangadhar Mahavidyalaya is running the same centre in the name of Women's Cell which has been established in the year 2011 in order to protect the women staff and students associated with the college from any sorts of injustice or sexual harassment of any nature directly and indirectly. This was done as per the instruction of the National Commission for Women; set up under the National Commission for Women Act 1990. This circular was based on the guidelines lay down by the Supreme Court and emphasized protection of women against such harassment and the right to work with dignity. The Women's Cell of the college was started with a group of girl students and teachers with the objective of using non-formal classes to make women students from unprivileged background functionally literate. They were taught basic language skills in English alongside talks on hygiene, First Aid, and women's rights. Simultaneously every effort is made to give them practical information and

knowledge of their immediate environment to build self-confidence, so that the students grow into self-reliant young women who are an asset to their families and the community. The basic objective of organising such programmes is to increasing awareness in women and developing their personality. The Women's Cell is working with a hope that the girls will realize their dreams of economic independence and that they will leave college equipped to face life's challenges. At the Women's Cell ours is a truly modest effort. It is a sincere expression of the belief held by each one of our dedicated team that by lighting even a single candle we can help to dispel the darkness. The success of the Women cell is due to the hard work and perseverance of every member of the cell. The distance have travelled would not have been possible without the support and encouragement extended by our Principal Dr. Swapan Kumar Mishra under whose valuable guidance women's cell continue to be motivated to do our best at all times. Women's Cell also thankful to UGC for their continuous financial support for academic and infrastructural development in our college. The Women's Cell is striving to create a better and just society by empowering women, and with a vision that is to make the cell a unique platform for the development of its members, by providing them opportunities to contribute towards the betterment of the society.

Members of the women cell

The Principal of the college as the chairperson of the cell and one women staff member is convenor of the cell. The cell is reconstituted every year if situation arises so. The process of reconstruction of the cell lays in the hands of Principal in consultation staff members. The name of the teachers in the charge of the cell:

- Dr.Swapan Kumar Mishra.(Chairman)
- Prof.Jonaki Biswas. Associate Professor and HOD. Department of Political Science. (Convener)
- Dr Sutapa Saha. Assistant Professor and HOD.Deprtment of Music.
- Prof Irani Banerjee Chatterjee. Assistant Professor and HOD.Department of Geography.
- Prof. Ranita Bain.Assistant Professor and HOD.Department of English.
- Prof Devmita Dinda.Permanant Part time Teacher .Department of Botany.
- Prof Sudipta Das.Assistant Professor (On contract basis) .M.P.Ed.
- Mrs. Subha Sahoo. (Staff).
- Madhuchhanda Tripathy. (B.A Part III .Student).

All the Faculty and student members work for the cause of Women empowerment with a motto that "Duty makes us do things well but love makes us do them beautiful".

The Objectives of the cell are as follows:

- To enhance self-esteem and self-confidence for greater participation and develop responsible, value oriented leadership of girl students, women faculty and staff in the college.
- To provide opportunities and programs for female students to be financially, mentally, and emotionally empowered so as to promote their growth as individuals in their own right.
- To help students to change their mindset and attitudes towards life in terms of Women and create awareness about the problems faced by women of all strata due to gender issues.
- To become a resource centre by involving female students to interact with rural women who lack formal and health education.
- To make girl student aware about their legal safeguards and ensure that sexual harassment is treated as an unacceptable behaviour within the college and the society.
- To help them in raising their voice against all kinds of discrimination.
- To prevent gender discrimination and sexual harassment by continuously reviewing, monitoring and solving girl's/women's sexual harassment, through prevention of sexual harassment Committee which has been formed to resolve issues.
- To provide and maintain a dignified, congenial working environment for women employees (including teaching, non-teaching and contractual workers) and students, where they can work, study and explore their potential to the fullest.
- To incorporate hygiene habits and ensure a healthy atmosphere in and around the college.

The main activities of the Cell are:

- The cell organizes awareness meetings, programs, non formal classes, workshop and seminars by experts on various subjects like Career Guidance, good health and hygiene, Nutrition, developing one's personality, women's rights and gender-related issues and become a Cell for exchange of ideas for women.
- One day UGC Sponsored National Seminar observed on "Women's Empowerment: Challenge in the 21st Century", by Women's Cell in collaboration with IQAC.
- The Women's Cell published an edited book consisting of research papers on Women Empowerment.
- The Women's Cell effortlessly encourages girl students to join N.C.C and N.S.S. programs in the college.
- The Women's Cell continuously informs about the assistance provided for poor and meritorious female students from the Government scheme and from the Students Aid Fund of Mugberia

Gangadhar Mahavidyalaya. The Women's Cell also informs about the special prize that has been given to female student for ranking first in the part III Honours final examination in every year.

- The Women's Cell encourages all girl students to apply "Kanyashree Prakalpa" and in every year 70% of them are enrolled in the said Prakalpa.
- The Women's Cell observes .Inauguration Ceremony each academic session to sensitize all members of College towards the Supreme Court and statutory mandate prohibiting gender discriminations and sexual harassment at the work place and encourage involvement through academic, talks, seminars, etc.
- As per demand of Women's Cell one complaint Box placed in front of Girls common room.
- Prevention of sexual harassment committee reviews safety and security measures for female employees and girl students and solve problems arising out of gender related discrimination in our college. If Students or any member report their grievance to the committee will be subject to appropriate disciplinary procedure action.
- The Women's Cell ensures student's union involvement in Women's Cell activities.
- An Information Register, maintained by the Women's Cell for keeping record of female student and staff related information.
- As per demand of IQAC and Women's Cell, the college authority allocated one specific room for Women's Cell. This room was named by the world known humanitarian and social activist Sister Nivedita.
- As per demand of Women's Cell GIRL'S Hostel has been made for the female students by the college authority. Construction of another Girl's Hostel has been going on at present.
- As per demand of Women's Cell girl's common room and toilets for female staff and students renovated and new toilets established by our college authority.
- Provides basic amenities for hygiene (soaps, hand towels etc), and provides special facilities and needs of the Women faculty members, staff students of the college. by establishing a sanitary vending machine in girl's common room in the college.
- Provides health education and special need based facilities of the rural women as societal activity.

Future Plans:

- Taking into account the current scenario where women are being harassed, victimized and even raped, the Women Cell intends to organise a karate workshop in next session.

- The women's cell intends to reach out to Women in the rural areas and make them aware of their social and legal rights and to equip them to stand against gender violence and gender discrimination.
